EDITORIAL CALENDAR 2026

Börsen-Zeitung

Publication frequency

The Börsen-Zeitung is published five times a week from Monday to Friday, with variations in publication dates or double issues on public holidays. In total, the Börsen-Zeitung will publish 249 issues in 2026, including the year-end edition.

Editorial supplements and focus topics

The editorial supplements and focus topics, which appear in newspaper format and layout in the *Börsen-Zeitung*, provide current assessments of market and industry topics. The authors of the supplements are usually leading representatives from banks, the international financial world and industry, as well as their organisations and associations. In addition, focus topics appear in selected issues of the *Börsen-Zeitung*.

Year-end edition

Our large year-end edition (issue no. 249) is a proven and traditional advertising medium that will help you make new contacts long after its publication date. Use this issue to advertise your products or image and target shareholders, investors and multipliers such as securities advisors and asset managers. The format and type area are identical to the daily edition of the Börsen-Zeitung. Please note that a separate price list applies to this issue.
