# PARTNER ADVERTORIAL

Advertorials on boersen-zeitung.de are marked as partner advertorial<sup>1</sup>. The headline “The partner company is responsible for the following content.”<sup>2</sup> is mandatory.

The logo<sup>3</sup> of the customer is placed at the top centre of the text box (info box) at the top. Below the logo, the headline “About ...” is supplemented with the company name, in our example “About the WM LEI PORTAL.”<sup>4</sup>

Via the button “More info” at the end of the text, you can access the company’s website<sup>5</sup>. A text box<sup>6</sup> on our homepage will be linked to the partner advertorial.

You provide the content of the partner advertorial and the introduction box in the form of a manuscript together with your logo and the advertising material.
